Dear Prospective Cub Scout Parent,

Cub Scouting - for boys and girls entering kindergarten through the fifth grade - molds its activities around the family. Parents are encouraged to help with projects and rank advancement at home. Cub Scouts meets weekly in Dens and monthly as members of the Pack for an evening of fun games, skits, ceremonies and recognition. Cub Scouting is "fun with a purpose" which capitalizes on your child's interests.

Pack 3110 runs a full time outdoor oriented program that includes hiking, camping and more to maximize the FUN in a great community. Cub Scouting builds upon self-esteem, self-confidence, respect for others, and a sense of belonging. Don't let your child miss out on the adventure!

You and your child are invited to join us at our Cub Scout Open House at the time listed above. If your child is interested in joining Pack 3110, he/she can do so that same night. Pack 3110 is chartered by the St. Andrews Episcopal Church and is open to all children, regardless of faith, interested in becoming better students, amazing family members and outstanding citizens.
